Travel Trade Tickets and Tours has rebranded as Attraction Ticket Store and their main competition is GetYourGuide (who had 4 representatives at GWS and made him roll his eyes like how to compete). Peter worked with Trailways for year and they have offices in Florida and UK. He has a home in the South of France, wife is in Florida. (not sure, but wife might be Josee Desrochers from Travel House of America, as he referred to her several times). While he is familiar with the area and brought a group through for the Square Dance competition years ago wants updates. He said Stewart will be at all US shows next year as he is 75. GC partners can reach out to Peter with information on how to get their attractions listed on his website.	5
Travel Gallery Co., Ltd	JAPAN	Met with Yasuhiro at GWS23 Anchorage. Travel Gallery Co is a tour operator providing travel to the USA from Japan. They opened an office in Las Angeles to help promote visitation to the US. She said it is very expensive to come to the GAW are right now. She also said that the Japanese are willing to try different foods, but still prefer Japanese restaurants. They like the idea of a YNP/GNP/Yosemite itinerary. She asked if we could provide Japanese speaking translators and hiking guides. I will check with the University. Also lodging in Missoula as they plan to travel between YNP and GNP. It sounds like they book direct, Missoula lodging partners can follow up with Yashuhiro. They also help with MICE needs in the US from Japan.	2023 GWS Anchorage

They work with some of the biggest name operators and also offer specialized packages. They worked with a square dance group that attended the national convention in Spokane and then went on a 23 day tour. Kalispell was a stop on their tour and is familiar with Glacier National Park. She loves Glacier Country and asked for itineraries and high res photos. I will follow up with those requests. No particular follow up at this time needed from GC partners.	2023 GWS Anchorage
Southwest Adventure Tours LLC	UNITED STATES	Met with Jason GWS23 Anchorage. I had just met with Jason at IITA, in San Diego, but it was only a 5 minute appointment. They specialize in small group business, 15 people or less. Tours are all done in Mercedes Sprinter Vans. They have multiple tours throughout the summer July 9 - August. He says they can access the entrances without vehicle reservations per the park allowances for road based tours. Just can't take them on GTSR, use the park concessionaires for that. He wants information on lodging in East Glacier (Mountain Pine Motel) and Iron Shield Creative. Good news is that they used to fly into and out of Spokane, but have switched to Missoula and start and end out of Missoula great pricing and bigger jets and more availability. Is thinking of applying for a special use permit and doing photography tours to get to take people on the GTSR. Great receptive tour operator for GC partners.	2023 GWS Anchorage
Sports Leisure Vacations	UNITED STATES	Met with Scott at GWS23 Anchorage. Sport Leisure Vacations specializes in tour packages that offer unique attractions and hotels and off the beaten track destinations. Primarily senior adults that are seasoned travelers who expect above average service. I've been working this tour operator for years and it's always a hit or miss between Mark at NTA and Scott at GWS. At NTA Mark says he wants a September tour. When I get to GWS Scott says he's been here during a fire and it was miserable and now he is gun-shy about booking in September. He however thinks winter would be a great idea. Sleigh rides, cowboy poet, Bigfork theatre or Whitefish theatre. I've offered great 3 or 4 day Christmas getaway and suggested Bigfork, theater, dinner, shopping. Aerionna had him out for a holiday preview tour in December 2022 and he loved it. He is putting it into their May preview for clients. December 14 - 18 are the dates. He liked Trego, but thinks Bar W would be better and closer for a sleigh ride. Definitely doing The Stroll, will watch for performances. Wants to add a gondola ride up to the Summit House at WMR and is looking for a guide for snowshoeing in GNP. (Glacier Institute, Glacier Treks or Whitefish Outfitters). He thinks lunch at Izaak Walton Inn would be good too. Wants transportation out of Kalispell too. Worked with Karst before and too expensive. If GC partners have a great winter activity in December they want to propose let Aerionna know.	J

They are interested in wildlife, culture, history, food and wine, music and, above all, authentic experiences. A large proportion of their clients have traveled with Audley before or been recommended by somebody who has. They will not sell a destination until one of their product managers has been to the destination and checked it out for clients. We helped RMHTours who was helping Audley last year and they stayed at Grouse. He wants to make sure they have the knowledge of the region. Working with independents around Glacier as well. He would like to attend IRU and asked if I would put in a good word with Lisa Cooper. No specific follow up is needed with them at this time, clients book into our area through Rocky Mountain Holiday Tours.	2023 GWS Anchorage
Western Leisure Inc.	UNITED STATES	Met with Mayuko at GWS23 Anchorage. They are TAP members and sell guaranteed departures each year to Glacier Country. This was a disappointing meeting. She is having lodging issues with Pursuit who they have used for years and then has always used Glacier Raft Co and feels it's not the same since purchased by Pursuit. (too corporate) wants other raft companies to contact. Last year her clients were in an accident on one of the reds and never got a call back from Xanterra about it. Guests were stranded for 2 hours. She felt very frustrated with Montana and the customer service or lack of and has been a long time client. I will see if I can help bring some customer service back to her. GC partners that want to work with a truly respected tour operators can follow up with Mayuko mayuko@westernleisure.com and earn their business.	Anchorage

Utilizing 3.5 to 4 and 5 star lodging and include unique attractions. They have 50 million members so great exposure. I'm not sure we are the best for this product when he mentioned partners really appreciate an international airport. Says the domestic side had kept them afloat during COVID, international is coming back strong. I might have a longer conversation with Kim about this and see if Big Sky is a fit? No specific follow up at this time.	2023 GWS Anchorage
Travalco USA Inc	UNITED STATES	Met with Siggi at GWS23 Anchorage. Travalco chooses to be an exclusive B2B receptive company. They enjoy partnerships with leading Tour Operators from 56 countries which ensures a healthy business mix and valuable year-around production. FIT to the Great American West is good, but rates are too high for motorcoaches. Clients can go to South Africa for 3 weeks for the price of one week in Montana. Would love an introduction to Clysesdale Outpost and BaseGlamp. December - March is their booking season so GC lodging partners can keep that in mind should they utilize Travalco contracting. Also, loves Yellowstone and would like the self-drive itinerary sent to her. Hotels need to offer a 25% commission. Contact Siggi at siggi@travalco.com	2023 GWS Anchorage
Horizon Travel Group	UNITED STATES	Met with Leah at GWS2022 Anchorage. They are a small Chinese inbound tour operator with offices in Utah and China. With Covid they had to focus on domestic and found a niche with eco- tourism. They founded Nomad Unlimited Adventure and a non-profit Wayfarer that focuses on replanting trees as part of their tour to become a more responsible world citizen. Recently they did a 5 country exchange and all went to Utah. Wondering if Montana would be a good fit and if places like the UM would participate in the education piece. I can make the connection and see. On the tour side, they usually have between 2 to 8 people for a more intimate experience. She feels China inbound will be back in 2023/24 and will want adventure. I will look at their websites and follow up appropriately. No specific follow up in needed at this time from GC partners.
